**WHY YOU NEED
 UNINSURED
 MOTORISTS INSURANCE
 TODAY!**

I wrote the book “Buying Florida Auto Insurance” to help everyone know that Florida is the worst state in the country for auto insurance. This is the only state that does not require Bodily Injury Liability Insurance and/or Uninsured Motorists Coverage. That means that if someone causes you to be seriously injured in a crash, they will probably not have adequate insurance to protect you. I STRONGLY advise you to get at least \$100,000 in Uninsured Coverage immediately to protect you and your family. We recently recovered \$1.25 million dollars for a client who was the victim of a crash caused by an uninsured driver. He was seriously injured and required surgery and would

have gotten zero if not for his UM coverage. UM also protects you and your family from pedestrian, bike, and other auto/truck accidents no matter where you are, along with providing coverage if you're injured in another vehicle.

1. Read my book (available online or by calling the office)
2. Call your local insurance agent to see if you need more than \$100,000 in coverage
3. Shop for the best insurance company with the best rates.

20^{abc} Scholar Athlete Program
WCJB

Our Meldon Law / WCJB TV-20 Scholar Athletes of the Week!

Meldon Law has sponsored the Scholar Athlete Program since 1997. Every week of the the school year, a high school senior in the North Central Florida area is chosen as the Scholar-Athlete of the Week and given a \$100 scholarship and a plaque.

This year is the 25 year anniversary of the Scholar Athlete Program, and we have quite a bit in store this year! Along with our yearly banquet, we now have a dedicated Facebook group where Scholar Athletes from past years can connect with one another.

Every banquet one male and one female are chosen as The Scholar Athletes of the Year.

The winners receive a \$1,000 scholarship plus a beautiful glass trophy commemorating their achievement. Starting in 2003, the Meldon Law Firm teamed up with WCJB TV-20 to promote the event.

HALLIE ROBERTSON is the senior captain of the Countryside Christian volleyball team. This season, as an outside hitter, she leads the team with 130 kills. Hallie is also stellar off the court with a 4.5 weighted GPA, along with being the President of Student Government and playing on her school's basketball, softball, and cheerleading teams. After graduating, she will be attending Santa Fe College and enroll in the school's nursing program.

GEORGE SHANNON has been a starter on the Buchholz High School football team since his sophomore year. The long snapper has been successful on his last 120 snaps which led to his classification as an All-American. To bring his talent into perspective, he is among the top two in the country at his position. George also excels in the classroom where he posts a 4.55 GPA. He thrives off of the elements of discipline and feels they will open doors to collegiate football as well as his passion to become a dermatologist.

To nominate someone for Scholar Athlete of the Week, make sure he or she has at least a 3.0 GPA, is a major contributor in his or her sport, and a high school senior. To nominate an athlete, email christopher.pinson@wcjb.com

Our client ran into a tractor-trailer that had violated the right of way and was seriously injured in the crash. The defendant blamed the crash on our client. The trial lasted almost two

weeks and the defendant never offered more than \$100,000 to settle the case. Our client's future will be greatly enhanced by this excellent result. The jury awarded our client \$3.3 million dollars.
